About

Antonio Caggiano is a background designer based in Vancouver, British Columbia. He is a team player with a positive attitude and enjoys solving tough design problems. He creates exciting and interesting environments beaming with personality. As a designer, his enthusiasm towards learning and a drive for improving makes him dedicated and adaptable for any project.

Education

SHERIDAN COLLEGE | Bachelor Degree in Animation

Bachelor Degree in Animation. Developed and refined skills in all aspects of design within an animation pipeline crafted for the animation industry.

Experience

Titmouse INC.

LEAD BACKGROUND DESIGNER | February 2020 - October 2020

Worked with the director and creator of the series creating scene set designs, floor plans, orthographic designs with multiple angles. Interpreted script and storyboard panels to create rough and clean final backgrounds required for each episode. Latest projects include *Brawl Stars*, *Devil May Care*, and *Critical Role: Legend of Vox Machina*.

PROP DESIGNER | October 2020 - November 2020

Designed props and vehicles for an unannounced Netflix short. Provided stylized variations and rotations to showcase all angles for production.

LAYOUT ARTIST | June 2018 - February 2020

Layout artist for TV animation series: *Captain Underpants*, *Archibald's Next Big Thing*, *Midnight Gospel*, and *Star Trek: Lower Decks*. Created layouts from storyboards, utilizing perspective and cinematography to create final backgrounds for production.

Blame Your Brother

BACKGROUND DESIGNER | Freelance 2018 - Current

Designed backgrounds for several commercial projects from concept to final frame. Worked closely with the art directors to create preliminary designs for projects in development and provided clean final designs.

Software

Adobe Photoshop | Blender | Adobe Animate | Adobe Illustrator | Toonboom Harmony
